NEW IRS DISCLOSURE LAW FOR POLITICAL ORGANIZATIONS

A new federal law has been enacted requiring certain disclosures by organizations that are political organizations for federal tax purposes under section 527 of the Internal Revenue Code. Portions of the new filing requirements appear to have very broad application. This office has received several inquiries as to the impact this law may have on statewide and local candidate campaign committees and political action committees. It is very likely that the Boards of Elections will receive questions regarding the scope and application of this law.

Because this is a new federal law, the enforcement for which falls under the jurisdiction of the Internal Revenue Service, all related questions must be directed to the IRS. **Political organizations having inquiries may call the IRS at (877) 829-5500** or visit a topic specific web site www.irs.gov/businfo/ea/pol-file.html.

If any Board personnel have any questions regarding this bulletin, please feel free to contact Curt Mayhew, Campaign Finance Administrator, at (614) 466-2585.

Sincerely,

J. Kenneth Blackwell

RE: New IRS Law

A new Federal Law requires all political parties and candidates to file the enclosed Form 8871 with the IRS by July 31, 2000 if you raise more than \$25,000 in a year. Failure to File could result in tax liability for all of your contributions.

If you meet the threshold you will also need to obtain an Employer Identification Number if you do not already have one. You can do this by calling 1-800-TAX-FORM.

If you do not have an e-mail address and cannot file electronically indicate this on line 3.

Please complete and return this form to:

IRS Center
Ogden, UT 84201

The web sit to file electronically is www.irs.gov/bus info/eo/pol-file.html.

Please notify your local candidates who may raise over \$25,000 per year. They also will be subject to this filing requirement.
